2022 - 2024

SQI COLLEGE OF ICT

- Software Engineering (Web development)

Present 2024

LAUTECH

- Bachelor of Technology (B.Tech.)
- GPA: 4.8 / 5.0

SKILLS

- Front-End Development
- Back-End Development
- Frameworks & Libraries
- Tools & Technologies
- Back-End Development
- Version Control System
- Deployment & Hosting

LANGUAGES

- English (Fluent)
- Yoruba: (Native)

PROFILE

I am a passionate Software Engineer specializing in web development with expertise in React.js, Node.js, and MongoDB. Skilled in both front-end and back-end development, I focus on building responsive, user-friendly web applications. I thrive in collaborative environments, adapting quickly to new technologies and ensuring high-quality, secure solutions. Eager to contribute to innovative projects, I am dedicated to continuous learning and delivering impactful results.

WORK EXPERIENCE

SQI COLLEGE OF ICT

2024 - PRESENT

- Gained a strong foundation in web development, software engineering principles, and modern programming languages.
- Developed an understanding of version control systems like Git and platforms such as GitHub for team collaboration and project management.

LAUTECH ICT

2023 - 2023

- Gained hands-on experience in version control using Git and GitHub.
- Contributed to the optimization of websites for better performance and scalability.
- Collaborated with senior developers to build dynamic, responsive websites using React, Node, and JavaScript.

SQI COLLEGE OF ICT

2024 - 2025

- Collaborated with cross-functional teams including designers, other developers, and project managers to develop user-centric web applications.
- Worked with UI/UX designers to implement responsive design features, ensuring seamless user experiences across various devices.
